Dermalogica facial treatments

Dermalogica is founded on the belief that good skin care is not only about pampering but to get great results from your products and that facial skin treatments are not only about relaxation but to make a difference every time!

Using only the finest ingredients available, all products are non – comedogenic and contain no occlusive mineral oil or lanolin, no irritating artificial colours or fragrance and no drying S.D. alcohol.

Face mapping ... your skin's future

Dermalogica's face mapping analysis takes the guesswork out of getting results, diagnosing your skin concerns and prescribing a no-nonsense home-care routine to deliver optimum skin health.

Free.....10 mins

MicroZone™ - The ultimate skin fix in the minimum amount of time!

This treatment concentrates on your main concerns if you do not have the time for a full treatment;

- Choose one from following:
- Moisture Surge
